

GABRIEL DURAND-HOLLIS, FAIA, NCARB
 President | Principal Architect

Gabriel Durand-Hollis, FAIA, President of the firm, has over 30 years of experience in design, master planning, programming, cost estimating, and project management. In addition, his experience ranges from the renovation of the San Antonio International Airport to warehouse space planning, governmental and high-rise office buildings. As principal in charge Gabriel negotiates agreements with clients and manages the design team to ensure the accurate and timely completion of projects. His experiences and outstanding leadership abilities provide excellent design and construction services. Gabriel has been a Principal owner since 1986 and resides in San Antonio.
